

Insurance Services

It's time to start looking at your insurance requirements in a new way: as business assets that provide a competitive advantage.

We understand every client has individual needs and, rather than taking the 'one size fits all' approach, we look to create a bespoke solution for each one. We also anticipate that our customers look for a 'right first time' service.

Core covers:

- **Employer's Liability**
- **Public and Products**
- **Professional Indemnity**
- **Construction All Risks**
- **Erection All Risks**
- **Loss of Profit / Delay in Start-up**
- **Business Interruption**
- **Directors and Officers**
- **Property Owners**

Specialist products:

- **Latent Defects / Structural Warranty**
- **Surety Bonds & Guarantees**
- **Defective Title**

Risk Management:

Contemporary strategies for expecting the unexpected.

TVP has extensive experience of working with a large and varied client base, which has allowed us to develop a track record second to none within the construction industry. Our significant experience of the various and complex processes involved in this industry means we are confident we can provide original working solutions to help meet your business needs.

Vindemny

Project Management, QS and sustainability offering, combined with energy performance certification, buildings insurance and comprehensive assignable building warranties for both domestic and commercial buildings.
